Instructions for District Grant Proposal / Application and Grant Reports

What is a District Grant?

District Grants (sometimes called District Block Grants) are a tool for Rotary districts to support short-term, humanitarian projects that benefit a community. Districts can request a portion of their District Designated Funds (DDF) from The Rotary Foundation (TRF) for a grant (block grant) to support one or multiple projects locally or internationally.

Note: DG funds cannot be used for a Global Grant cash contribution. District Designated Funds that fund District Grants were recorded as contributions to The Rotary Foundation three years prior to their use. Tax credit, recognition, and Paul Harris Fellow credit were issued at that time.

Who can apply?

Clubs are not able to directly request a District Grant from The Rotary Foundation. District Grants (District Block Grants) are awarded only to districts, and in turn each district then determines how funds will be distributed.

Rotary Clubs in Rotary International D-5960, Inc. can apply to the D-5960 Grants Subcommittee (GS) for a Club sponsored District Grant that would be funded from the District Block Grant that D-5960 receives from TRF. **A club must comply with 4 pre-requisites before applying for a District Grant on the District Grant Proposal/Application/Report Form. The 4 pre-requisites are:**

1. **ATTEND:** At least one member of the club must have attended a D-5960 sponsored Grants Management Seminar (GMS) specifically for the upcoming Rotary year.
2. **SIGN:** The incoming club President and incoming President-Elect must sign The Rotary Foundation Memo of Understanding (**MOU**) and the D-5960 Addendum to The Rotary Foundation MOU. New copies of these forms must be submitted every year.
3. **PROPOSAL:** The club must submit a District Grant Proposal form to the D-5960 Grants Subcommittee (GS) Chairperson. The Chairperson will assign a Mentor to review it and place it on the agenda of the GS meeting at which all proposed projects will be reviewed. If the project is approved, the GS will include it in the spending plan for the District Block Grant, which will be submitted to The Rotary Foundation.
4. **BE CURRENT:** The applying club (Primary club) must be current on all their active District and Global Grants with regards to implementation and reporting. (**Note:** Interim reports are due every six months, and final reports are due within two months of project completion).

Characteristics of District Grants Projects

- District Grant projects should support the goals and mission of Rotary International and The Rotary Foundation.
- Projects may be local or international in scope, and should adhere to the official DG Terms and Conditions provided by TRF.
- District Grant projects must respect the wishes of the receiving community and strive to understand and appreciate its country / community traditions and culture.
- District Grant projects require the direct involvement of Rotarians through their:
 - Assessment of community needs and development of a project plan
 - Establishment of a committee of at least three Rotarians to oversee the expenditure of funds
 - Oversight of grant funds
 - Implementation of projects
 - Provision of evidence of community involvement and ownership
 - Organization of meetings with local service providers, local officials, and/or recipients
 - Promotion of projects (suggested methods include but are not limited to: promotion at the place of the project and/or within the community, promotion via articles / pictures in local media, promotion on the club web site and/or social media, at club events, promoting within other clubs and at District events, and by submitting an article for publication by the District or Rotary International)
