We expect the Israeli team here April 12-22 and the German team about April 18- April 29. The outbound team to **Israel** will travel **April 25 – May 7** and the **German** team will travel **June 1 – June 13, 2018**.

The purpose of the trips is foster International goodwill, peace and understanding. Team members will help identify service projects that can be executed by clubs working together from each District.

Teams are open to Rotarians and non-Rotarians alike who are at least 25 years old. Team members may go as couples. Criteria details are at:
