Question 5 -- St Paul Saints game July 25, 2018

Question 6 -- Annual golf tournament – August 14, 2018 – “Drive to End Homelessness”

Question 15 -- BHL participated in the "WASH" Project, an international grant in Guatemala with districts 4250 and 5950. 2 BHL club members traveled to Guatemala. 16 club members provided supplies or money for supplies, books and other support (pay for luggage). BHL members brought down to Guatemala with them, Rotarians from Buffalo, New Richmond, Glencoe, Vacaville Sunrise (CA), and Marquette (MI). This was a collaborative effort.

Question 18 – The Governor’s Audacious Dinner – The BHL and Chain of Lakes Club combined a social event for members and their significant other with the DG, Mike Becker’s, Governor visit October 3. It was a fun night out with dinner, laughs and socializing along. It was a good opportunity for our clubs to get to know one another and for our significant others to learn more about Rotary and what other clubs are doing in the community.

Have a structured team or other method for coordinating meeting speakers

We have a 6-member public image/programming team

Conducted at least 3 club assemblies this year (Dates)

Our Club does not like Club Assemblies and many do not attend that day. Therefore, Club Assemblies were cut back to two. The first took place on July 18, 2018 when team leaders communicated the board’s goals to their teams and augmented the board’s goals with their own goals. The second took place on Jan. 23, 2019 when the goals were reviewed. I’m pleased to say that many of our goals were achieved.

Had at least 4 fellowship activities during the year (Dates)

Our four fellowship activities were: The FL Chamber of Commerce mixer hosted by the FL Rotary Club on Sept. 6, 2018 served many purposes. It functioned as an opportunity to share what our Club was about with the business community, as a social/fellowship activity for our Club members, and as a membership recruitment social event. Other social/fellowship events were a Christmas party on Dec. 8, 2018, a Super Bowl party on Feb. 3, 2019, and a Happy Hour Social scheduled for March 2019.

Host Membership Recruitment Social Event (Dates)

The FL Chamber of Commerce mixer hosted by the FL Rotary Club on Sept. 6, 2018 served many purposes. It functioned as an opportunity to share what our Club was about with the business community, as a social/fellowship activity for our Club members, and as a membership recruitment social event.

Had a Club fundraising event (Name, Date)

Fundraising events were the Turkey Trot on Nov. 22, 2018 and the Winter Plunge on Feb. 16, 2019.

Utilize a Club membership directory (either printed or electronic)

A membership directory is included in our weekly newsletter.

All new members were assigned/recruited to work in a specific team

All members, new and old are assigned to teams. The teams were restructured in 2018 to make them more relevant to the current membership

New member information added to RI database within 1 month of each new member orientation

Yes, added by the executive secretary.

Have representation at the International Convention by at least 1 Club member registered by 3/15/19 (#registered)

Yes.

One or more members participated in a One Rotary Summit and shared information and ideas with the Club or Board

Two members attended the One Rotary Summit

Participated in a multi-club social event, service project, fundraiser, fellowship, networking or other event (but excluding a membership meeting (Other club name/event)

The Stillwater Sunrise Rotary Club and the Forest Lake Lions Club will be participating in the Winter Plunge fundraiser.

Club has member(s) active in roles at the District level or beyond

Yes
Q9 Began creating, created or updated a Strategic Plan or Visioning Plan for the Club (Describe in narrative)

Created a Visioning Plan in 2017; updated goals and set goals for 2018-2019 on June 25, 2018. Our accomplished goals include increasing our Facebook presence, designing recognition certificates for speakers and making a donation to PolioPlus in their honor, making the Turkey Trot more successful (we doubled the number of runners), have more socials, and working with the Interact Club.

Q10 Implemented or updated club membership development and retention program (Describe what you did in narrative)

Membership Development and Retention: Upgraded our speakers to include a musical performance and a chemistry show to keep members interested. We have fun activities at meetings such as a Halloween Costume contest and an Ugly Christmas sweater contest. We implemented a check list of what a Rotarian does (ex. attend District event, participate in service project/fundraising, donate to Rotary Foundation) and will give out local club awards at the annual meeting. We are in the process of compiling a list of members who haven’t been attending meetings so a friend can call them and encourage them to come or find why they don’t come.

Elizabethan Syngers perform for Rotary

The Elizabethan Syngers recently performed for the Forest Lake Rotary Club. Founded in 1971 by local conductor and composer Paul Hendrickson, the Elizabethan Syngers are a community organization dedicated to preserving, promoting, and performing music of inspired by the Renaissance. They are named after Queen Elizabeth I of England, who reigned from 1559 to 1603, and are modeled on the court musicians who were under the patronage of the Queen.

Rotary Club of Greater Rochester – Club Service/Administration Award

Our club achieved significant goals in Club Service and Administration by increasing our participation in District events and improving our club communication through Club Assemblies. In addition, we continued fun and fellowship with our annual fundraiser, and participated in networking and service projects with other Rotary clubs.

This year our membership team focused on retention of current members, recruitment of new members and updating the mentor strategy for new members. A survey last June indicated that members wanted more fellowship activities. So we had a dinner at a member’s home in August, a special “Lunch with a Rotarian “in September, a holiday party meeting with a Rotary trivia game, a meeting with a 4-Way Test trivia game, and we will celebrate the bike ride with a social at member’s home. Another retention strategy is to keep members more connected to what GRR, the District and Rotary International are doing and to recognize GRR involvement in activities. Last June we had a record number of club members attend the District Governor Installation. We have benefited from club members attending the Rotary One Summit, as well as the Mid-Term Conference and BAS training. After a few years of not conducting Club Assemblies, our membership will have had four Club Assemblies called, “End the Month on a Happy Note” this year. Also each week members receive information of Rotary activities at our meeting, in a newsletter email sharing photos, announcements, recognitions, and updates.

Our recruitment of new members included two social “open house” gatherings with two other Rochester clubs to encourage members to bring newcomers to an event outside of a meeting to learn more about Rotary. We keep in contact with potential members via email and phone, and once the application is submitted, we act quickly. We updated how we use mentors for new members. Instead of one member mentor, we use one member per month for three months. The variety of members interacting with a new member helped to engage the new member faster and he said it made him feel very welcomed.

In regards to recruitment, our GRR membership team reviewed classifications and membership data and our goal is to add 10 more women to our club. In June, we are inviting women to a Grow with Rotary social at Sargent’s Nursery featuring Rotary activities and flowers. We will start a LinkedIn account in April and send information out about Rotary.

Our annual Believe in Me Bike Ride in June is a great fundraiser and wonderful opportunity for club fellowship. The funds raised are used to support our youth programs and one such program is our Dictionary project. Both the fundraiser and the project are fully supported by all club members and participation is high.

In addition, we combine with the other two Rochester Rotary clubs for a social hour one Wednesday per month, and we celebrated World Polio Day with a social open house that was organized by a team of members from our club, the Rochester Risers Rotary Club, and the Rochester Rotary Club. All three clubs combine to implement our annual Ethics Workshop for area high school seniors, and also for the Rotary Basketball Classic to raise funds for youth projects in the community. Each club has Chamber Champions who promote events and encourage members to attend the monthly AM Expresso and Business After Hours networking events. We believe this a good opportunity to promote awareness of Rotary with other business professionals.

Club Service/Administration

Narrative

Club Assemblies are held each month, usually the last meeting of the month when there are 5 Tuesdays in the month. The entire meeting is devoted to that activity. So far this year we have had club assemblies on 7/31/18, 10/31/18 and 1/29/19.

The Club has Member Teams assigned to arrange speakers. The teams of three to four members are assigned for each month of the year and it their responsibility to arrange speakers, provide meeting setup and take down, monitor the reception table, introduce guests, collect funds for guest meals, and verify attendance.

Fellowship activities include the 401 Social Hours at a local establishment for drinks (generally at least monthly), team building, and conversation; the summer picnic at the Ordway’s on July 14, 2018, our 40th Anniversary Party on February 23, 2019; and the egg stuffing for our annual Easter Egg Hunt which will be April 14th is rather frantic but also a lot of fun and it attracts family members, and friends.

Our annual Gold Plate Dinner is the Club’s major fundraiser. It occurs in the spring of each year and consists of a Social Hour, Dinner, and Raffle and Bingo. Each of 100 tickets includes dinner for two. It is a very nice evening that attracts several sponsors who add to the financial success of the evening. The event this year will be on April 12th.

The Club has both printed and electronic membership directories.

The Club President assigns or recruits new members to Club Teams and new member information is added to the RI database within one month of orientation.

The Club participated in a multi-club participation event with the Rotary Healthy Youth Foundation (annual board meeting in July 2018 with AH/Shoreview, Roseville, Fridley/CH, and recently added TC Rotaract) and also a social gathering coordinated by our Assistant DG with Area 9 Presidents and Presidents Elect.

Club member Gerry Tietz is a member of the Rotary Foundation Board.

This past year was marked by a major updating and revision of the Club Bylaws, and established a Club policy that allows members to be charged only for the meals they consume. That policy was enacted to make membership more affordable and therefor more attractive.

Page 3: AWARD CATEGORY: CLUB SERVICE/ADMINISTRATION

Q8 Complete for each item completed

Have a structured team or other method for coordinating meeting speakers
Risers have a structured Programs Team that does an excellent job planning programs out one quarter at a time.
Conducted at least 3 club assemblies this year (Dates)

Club Assemblies offer value to our members and three have been (or will be held) this year: 9/18/18, 1/29/19 and 6/25/19.

Had at least 4 fellowship activities during the year (Dates)

Fellowship, with lots of fun, is an area in which our club exceeds expectations. We have a minimum of 1 social activity a month. A variety of activities are planned and often include families. To name a few: 7/22/18-Squash Blossom Pizza on the Farm, 8/2/18-Baseball game, 8/25/18-Family movie on the Lawn, 9/16/18-Bike ride to Pine Island, 11/19/18-Tour of Mayowood at Christmas, 2/2/19-Snow shoe at Quarry Hill Nature Center.

Host Membership Recruitment Social Event (Dates)

Membership recruitment events have been held in collaboration with the other two Rochester Rotary clubs. One was held on 11/15/18. Another one is scheduled for April.

Had a Club fundraising event (Name, Date)

Risers raise funds through various means. One fundraising event was held on 10/24/18 (WPD), Pizza for Polio. Attendees paid a flat fee for all you can eat. Over $600 was raised. Risers also hold a wine fundraiser which brought in over $5,000, the highest ever.

Utilize a Club membership directory (either printed or electronic)

Our club directory is on-line. This year, one of our club assemblies focused on Rotary Online; the Member Directory and Member Profile were highlighted. An effort is underway to have all members update their profile by year end. To date, approximately ⅓ of the members have done so.

Performed a New Member orientation session (s) Date(s)

Our new member orientation is held one on one with new members prior to their joining. After joining, we assign a mentor to each new member to continue the orientation and assimilation of new members. This has proven to be more effective than holding a traditional new member orientation event.

All new members were assigned/recruited to work in a specific team

Retention of new members is successful because we assign new members to a team of their interest as ascertained by their feedback to a new member survey which they complete upon joining.

New member information added to RI database within 1 month of each new member orientation

New member information for the 3 new members admitted to date was completed within one week of their membership.

Have representation at the International Convention by at least 1 Club member registered by 3/15/19 (#registered)

Often we have more than one member attend the RI convention. For 2019, one member is attending and registered while at the Toronto convention.

One or more members participated in a One Rotary Summit and shared information and ideas with the Club or Board

Club president attended the Rotary One Summit. Information was shared at two club meetings following the event as well as the video was included in the newsletter.
Participated in a multi-club social event, service project, fundraiser, fellowship, networking or other event (but excluding a membership meeting (Other club name/event)

The three Rotary Clubs of Rochester participate frequently in multi-club events: monthly Wine Down Wednesday, DG Official Visit club meeting, Foundation month program, Holiday Classic basketball event, World Polio Day event (Pizza for Polio) and many others.

Club has member(s) active in roles at the District level or beyond

This Rotary year, club president stepped down from district duties (FFH, Fund Development, VFT) to focus on club leadership.

Q9 Began creating, created or updated a Strategic Plan or Visioning Plan for the Club (Describe in narrative)
Our club is in year 2 of follow up from the Visioning event conducted last year. Current year's goals include criteria from the awards and citation, visioning event plan, and team goals. Each trimester, a list of accomplishments aligned with goals is completed and shared with club members to track progress against plan.

Q10 Implemented or updated club membership development and retention program (Describe what you did in narrative)
Club development and leadership development have been initiated by giving new members leadership opportunities as team leads and filling in to lead meetings in absence of leaders.

Q11 Other (Please describe in narrative)
One strategy used to stimulate interest in club meetings and the scheduled program has been for the club president to create a 20-30 second video promo that is sent to all club members Monday prior to the Tuesday club meeting. Our programs have all been exceptional this year and our attendance has been very good as well. In fact, on one of the coldest and snowiest mornings, we opted to hold the meeting and had one of the best attendances to date. Risers have also placed a priority on having fun. The Social Team is very active and consists of a couple members whose schedule makes attending meetings difficult. Participating on the Social Team and getting involved in social events has been an effective way to engage members who otherwise may be disengaged.

9/17/18 Newsletter Excerpt

For example, instead of asking someone “we’re selling raffle tickets for our club, would you like to buy one?” why don’t we ask “your club doesn’t have the financial means to purchase tickets for the raffle, would you support it with a purchase of one?” See the difference? Our brains respond differently when we understand the why because it taps into the limbic part of the brain that influences feelings and emotions. And we know our behavior can be influenced by how we feel about something. One last opportunity to attend Rotary One Summit is on July 19, 2018 in Rochester. There is no cost to attend other than your time.
