

Rotary International District 5960

District Grant

Quick Reference Guide

2020-2021

Qualifications & Prerequisites

1. To qualify, one or more member(s) (ie. Project contacts) of your club must attend a Grants Management Seminar (**GMS**) for the Rotary Year pertaining to the grant.
2. Your 2020-2021 Club President and President Elect must sign The Rotary Foundation Memo of Understanding (**MOU**) and **D-5960 Addendum to TRF MOU**.
3. Your club must be current on reporting for any and all of your open and completed grants.
4. Contact the Grants Team Leader (GT) to get a mentor assigned after you identify a potential project.
5. Work with mentor to assure host country has no red flags.
6. Your club must submit a District Grant Proposal (**DGP**, or "**Proposal**") to the D-5960 Grants Team (**GT**) Leader or your assigned GT mentor for review by June 1st. Your mentor will help you prepare the Proposal for the GT proposal review meeting June 19, 2020
7. If district grant funds become available later in the year, proposals will be processed on an individual basis.

D-5960 District Grant Process

Having met all of the prerequisites for a D-5960 District Grant, your **Proposal** will be reviewed by the **GT** at its June meeting. If the Proposal is approved, it will be included in the D-5960 Spending Plan. The Spending Plan will be submitted to TRF immediately for approval. Your club can submit a District Grant **Application** to the GT for review at any meeting after June 30. However, if it is approved before TRF approves the Spending Plan, it is imperative that the project does not commence until after the Spending Plan is approved. **Once the Spending Plan is approved, you will be notified. You may then start your project and submit your Application at a later date. You will NOT receive your monetary award until your Application is completed and approved by the GT.**

Step by step:

1. Review your District Grant Application with your mentor at least 10 days before the GT meeting at which you wish to present your Grant Application to the full Grants Team.
2. In addition to the Grant Application document you should include:
 - a.) Copies of estimates/price quotes from all vendors to support your budget
 - b.) Signed letters of commitment or participation from presidents or authorized members of all partnering Rotary clubs or copies of checks from partners
 - c.) Signed letters of participation from all other non-Rotary partners
3. When your mentor is satisfied that your Grant Application is complete, your mentor will distribute it electronically to the full GT. This must be done no less than 5 days before the meeting at which you wish to present your grant Application.
4. At the GT meeting you and/or your mentor will present the Application to the GT during the open session. **You may also present your Application remotely. You must make arrangements with the District office and your Mentor prior to the GT meeting.** You may be asked questions and may be offered suggestions regarding implementation of the project. **If satisfied with the application**, the GT will move the project to the "closed session" (Grants Team members only) for review.
5. During the closed session the GT will review the Application. It will either be approved, approved with contingencies, or declined.
6. After the GT has taken action, your mentor or the GT Leader will contact you to discuss the outcome.
7. The final report for your project must be submitted to your mentor and the GT Leader within 60 days of project completion. If the project takes a substantial period of time, progress reports must be submitted **every 6 months** commencing on the date approved by GT until the project is completed and the final report is received and accepted by your mentor and the GT Leader.

D-5960 DG Funding Guidelines

Cash contributions from Rotary clubs in D-5960 and other Districts will be matched dollar for dollar up to the maximum award specified in the current spending plan by D-5960 with District Designated Funds (**DDF**). D-5960 has set limits of **\$500** as the minimum D-5960 match, and **\$3,000** as the maximum D-5960 match for a single club on a single project. By including additional D-5960 clubs and other District clubs as project partners, the maximum

D-5960 project match of **\$12,000** could be awarded, still with the limit of **\$3,000** maximum match per club.

Project Locale

D-5960 District Grants can be implemented within or outside the boundaries of D-5960... anywhere in the world. While a **Host Partner** is not explicitly required by TRF for out-of-district projects, the D-5960 GT reserves the right to request a Host Partner for any given project. Not the least of the considerations for this decision will be demonstrable Rotarian participation in the project.

Relevant Information

D-5960 District Grant Proposal/Application and Report Forms are on the D-5960 web site www.rotary5960.org. Select **Foundation** from the top bar then select **District Grants** from the drop down menu. Documents and information are located on the left side of the page.

Note: Projects should respect the needs and wishes of the receiving community. Projects require direct involvement of Rotarians through their assessment of community needs, establishment of a committee of at least 3 Rotarians from the primary sponsoring club, **at least one of whom has attended a current Grants Management Seminar (GMS)**, to oversee expenditures and oversight of funds, implementation of the project activities, provision of evidence of community involvement and ownership, coordination of all participant activities, promotion of the project and reporting.

Grants Team Meetings are the 3rd Friday of each month unless published otherwise on the D-5960 web site.
