Q11 Provide financial or other assistance to homeless, disabled, critically or terminally ill or other challenged youth (Describe in narrative)

Lakeville Rotary sponsored a project called "Sleep in Heavenly Peace Bed Build" (SHP) in Nov. 2018. There was an estimated 40% participation from the club between cutting, sanding, assembling the beds and purchasing the bedding. This project is to provide beds for kids who are sleeping on the floor. The Monday following the weekend that we did the build, two children would have had to be taken into custody instead of being with family members if there had not been beds for them. These beds were delivered on the Sunday after the build was finished. Using volunteers to raise money and provide the labor to build the beds, LRC raised $9,000 from club members, friends, and family to provide 60 beds for the SHP clients. In addition, we provided bedding to outfit the beds for the kids. This was the largest bed build for SHP TC South for a total of 68 beds.

Club Awards
Youth Service
Saint Paul

Our Rotation Forward program is designed to recognize students from every St. Paul middle school for a special effort or accomplishment they have made, not necessarily within the classroom or by academic performance. Students are recognized at annual Education Day program. Recipients have shown leadership in one or more of the following areas: outstanding citizenship or community service, good attendance, significant improvement in attitude, effort, achievement, overcome a significant handicap, special effort involving another student, and contributed in making our school a better place.

We are proud to begin supporting TreeHouse through our speaker recognition program. Their mission is to bring living hope to hurting youth and families leading to life transformation. This also will begin our participation with another youth organization. Our April 4 fellowship gathering is devoted to human trafficking - Out of the Shadows: End Trafficking in MN.

During our Visioning efforts this year we identified sponsoring an Interact Club as a possibility but this has not happened.

We are supportive of Twin Cities Rotaract. Their President, Lisa Chesko, is our featured March 17 speaker at our Rotary Days gathering in celebration of World Rotaract Week. We also promote their service projects. They attend our fellowship gatherings and special events. And we are including their “Spelling BEEr” event as part of our upcoming Rotation Day.

We have been the primary Camp RYLA sponsor since its inception. This year the Camp RYLA budget is $34,000. We welcome sponsored students from our club and other rotary clubs throughout our district, culminating with a celebration of this 5-day experience at our club meeting. It is too early to report on how many students we will sponsor this year but we will also deliver an ethics program again.

For the second year we sponsored a student to attend Camp Enterprise.

In 2020 we will celebrate the 10th anniversary of our Centennial Scholars program. Each year we add a $20,000 scholarship for a graduating high school senior. We have not announced this year’s recipient yet.

Our current Outbound students are Natalie Narvaez (Spain) and Lani Vue (Japan). Our current Inbound student is Anna Mori (Japan). In 2020 we will celebrate the 45th anniversary of our sister club relationship and youth exchange with the Rotary Club of Nagasaki. For the 2019-2020 year we already know that we are sponsoring six Outbound students and hosting two Inbound students:

- Outbound: Evan Taylor (Switzerland), Anastasia Thompson (Spain), Ian Black (Japan), Amelie Persson (Chile), Antero Sivula (Brazil), and Annika Pnewski (Thailand)
- Inbound: Norway and Denmark; don’t know who they are yet

We managed a dictionary project for the previous 10 years but suspended it this year during Visioning efforts.
