### **The Rotary Club of (Name) Recognized at District Event**

**Your City, Your State.** – On Tuesday, June 23, 2020, Rotarians from District 5960, which covers south east and east metro Minnesota and western Wisconsin, met virtually for the 2019-20 District Awards Happy Hour. Clubs were recognized for their efforts in various categories and based on the size of the club – Large, Medium Plus, Medium, or Small – as part of the District’s Awards Program.

The Club was responsible for submitting examples of their efforts against a checklist for up to six categories – Club Service, Community Service, International Service, Public Image, Vocational Service, and Youth Service. The submissions were then judged by Rotarians from Clubs in a different size category to keep the voting objective. The Rotary Club of XXXXX was in the (Small/Medium/Medium Plus/Large) size club category.

After the tabulating, the club received the XXXXX award(s) for XXXXXX. Said Club President XXXXX, “Add Quote.”

### **About Rotary and District 5960**

Rotary’s vision is “Together we see a world where people unite and take action to create lasting change, in our community, across the globe, and in ourselves.” We do this through a global network of volunteer leaders dedicated to tackling the world’s most pressing humanitarian challenges. Our mission is to advance world peace and understanding, good will and peace through improved health, the support of education and alleviation of poverty. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Within District 5960, which includes much of south east and east metro Minnesota in addition to 6 counties in western Wisconsin, there are 63 clubs focused on humanitarian service. Locally, the Rotary Club of XXXXX members provides both hands on skills and financial support for sustainable projects to improve our community. Our work improves lives at both the local and international levels including our continuing work toward a polio-free world.
