Award Category: International Service

Question 2 -- BHL participated in the "WASH" Project, an international grant in Guatemala with districts 4250 and 5950. This program is to provide clean water and hygiene, especially for girls. Our club donated $5,000 toward the international grant with a matching from District 5960 of $10,000.

We also installed a Little Free Library and delivered backpacks and school supplies to a number of villages--over 140 children. All funding for this particular project was personally donated from club members and our Club donated $1,000 for the library and books.

Question 4 -- Grant number GG1875249. The WASH project we participated in consisted of building a "pila", or community laundry sink, in the rural native village of Patulul, Guatemala. The original intent of the pila was to help clean up the local river by diverting the gray wash water away from the river and into the ground where it will be naturally filtered. One side benefit of the pila was that it will provide a way for the women to come together socially.

An unforeseen benefit of the pila was that it will provide safety for the women on the village. The women currently wash their clothing in the river where we learned they have to navigate treacherous banks, be on the lookout for snakes in the water, and also watch for human predators. Upon learning of these issues, the fence around the new pila was redesigned onsite so it will be enclosed but have two exits, and the bushes planted around the fence will not obstruct the view of the pila from the road.

Question 6 -- Last July BHL Club included Polio Plus and Fast for Hope into our dues so quarterly each member contributes to both causes automatically.

Question 11-- See above. Dates of participation were 2/23-3/3. Club members traveled to Guatemala.

Question 12-- Little Free Library in Patulul, Guatemala. This is a very poor community of about 700 native Mayan families. We delivered about 1000 Spanish and bi-lingual children's books--some will go to other villages. We bought books for older readers in Guatemala, but these were far more expensive to buy there. We hired a local carpenter to build and install the library, and we trained a local man to be the steward. We anticipate we will buy a lot of books in the coming years to replenish the stock. The village literally had no books, so the concept of "take one, leave one" probably won't catch on until we reach a certain saturation point. Within 10 minutes of stocking the library with books, the children were devouring them!

Numbers--Guatemala—2 BHL club members traveled. 16 club members provided supplies or money for supplies, books and other support (pay for luggage). We brought down Rotarians from Buffalo, New Richmond, Glencoe, Vacaville Sunrise (CA), and Marquette (MI).

Rotary Club of Greater Rochester – International Service Award

Our club’s support of International Service is rooted in our three-club World Community Service Committee. We also enthusiastically support Fast for Hope and Polio Plus.

The World Club Community Service Committee (“WCS”) meets monthly to review current projects and proposed new projects. Currently WCS has approved a project in Guatemala to incorporate family gardens to help improve nutrition to 70 families. This is sponsored by the WCS and is supported by a Rotary Global Grant for $94,500, GG1870757.

The WCS is supporting a project sponsored by Woodbury Rotary Club, via a District grants. The Ntungama Uganda Caring Hearts Heifer Project is improving family nutrition in Uganda by providing a pregnant heifer, livestock care training, and veterinary services. The heifer produces milk and a calf that is then shared with another member of the community.

Currently WSC is the sponsor of a project under review for a District grant. This project in Guatemala is seeking to replace current stoves with energy efficient stoves to improve health outcomes for the community. This $61,500 application is identified as GG1873788.

Our club’s support for the Fast for Hope initiative includes making a financial contribution, and also providing information to our members about this important fund.

Last November our club collaborated with the other Rochester Rotary Clubs to host a World Polio Day event. This event invited Rotarians and non-Rotarians to a pizza dinner to raise awareness of Rotary’s work to eliminate polio. Included at the event were Rotary International videos related to the End Polio Now campaign on four large screens throughout the venue. A Rotary “data walk” provided information on our fight to end polio, and we also supplied a purple pinky station. A local television station provided news coverage of the event. Overall, the event was successful in that it raised awareness of Rotary’s good work, while also raising funds for Polio Plus.

Our club is proud to support International Projects through time, treasure, and talent.

Narrative

Participated in a Polio Plus fundraiser or other event to create awareness for the program
*The Club has a program whereby members can earn extra Paul Harris recognition points through donations to Polio Plus (PP) (usually in the fall/winter; this year during winter/spring). Previously we used the club’s accumulated Paul Harris recognition points to match member donations to PP during those months. This year, a generous pledge of PH points by the St. Paul Rotary will help us boost giving. In addition, the club had a special mini-fundraiser for PP at our 40th anniversary celebration on February 22, 2019. We had a split-the-pot event that resulted in a $200 donation for PP. Our aggregate donations in hand, or pledged are $1,500 and will be submitted by April 2019.

Participated in one new International Service project
*Please see next response, below.

Sponsored or participated in a District Grant project outside the United States
*Our club sponsored an $11,000 District Grant project that was part international in focus, and part local. It was a “Harvest Pack” event whereby approximately 36,000 dehydrated meals were packaged. Of this, 10,236 Rice/Soy meals were sent to “Feeding America” (formerly Second Harvest) for distribution to needy people in Puerto Rico.
*Our club participated in the following four District Grants for projects outside the US: 1. $250 to St. Paul Sunrise for the Women’s Center in Guatemala; 2. $500 to Stillwater Sunrise for a security fence at a school in Kenya; 3. $750 to the Arden Hills / Shoreview Rotary for a vocational project / sewing school for women and girls in India, and; 4. $500 to White Bear Lake Rotary for a water & sanitation project for school children in Nigeria.

Supported the District’s Fast For Hope initiative by March 31, 2019
NB/MV Rotary made a $500.00 donation on 1/16/19.

Participated in an international literacy project
*Guatemala Literacy Project: Similar to the past 15 years, our club contributed $500 towards a large-scale Global Grant (#1872362) literacy project for children and educators in Guatemala. The 2018-2019 project is sponsored by North Bay Ontario, Canada (D-7010), has a budget of $600,000, and will benefit over 6,200 students and 248 educators. We prepare, presented, and were successful in obtaining a $500 DDF match from District 5960.

Other
*Niger scholarships/sponsorships: As an outgrowth of a prior Global Grant project, and a prior District Grant project (both of which were sponsored by our club), we have continued to build on the relationships that we’ve established with Remember Niger Coalition, and the Nigerien children served by the schools that have been developed with the assistance of RNC and local Nigeriens. In 2018 – 2019, our club ($360) and club members individually but collectively ($360) contributed $720 to provide annual school tuition for two children in Niger…one male, one female. Each scholarship / sponsorship is $360.

*Host club for Global Scholar, Ellen Dunn: Our club member, Ed James, was instrumental in making a connection for Ellen to have free housing while studying in London, England for her Global Scholarship starting late summer 2019. Ellen has visited our club, and will continue to have contact before and during her term of study.

*Supported Rotaract Member for Cultural Exchange: Our club provided a $100 donation to Laura Skubic, TC Rotaract Member, towards her Cultural Exchange trip to Lebanon. She subsequently visited and presented a program to our club in January 2019 about her trip.

Participated in a Global Grant project (Grant #)

Supported Woodbury R.C.’s Global Grant: Ntungamo Uganda Caring Hearts Heifer a project to provide economic benefit to women. While the Risers funded the project last year, this year, the project proponents presented a program to the Risers to share details about the project and to thank the Risers for pledging financial support.

One or more members participated in a One Rotary Summit and shared information and ideas with the Club or Board

Club president attended the Rotary One Summit. Information was shared at two club meetings following the event as well as the video was included in the newsletter.

Q9 Participated in a PolioPlus fundraiser or other event to create awareness for the program (Describe in narrative)

This past World Polio Day, an event was held at a pizza restaurant to promote Pizza for Polio (picture attached). Donations were accepted and over $600 was contributed towards our Polio Plus goal. A press release was submitted to media and KTTC covered the event.

Q10 Participated in one new International Service project (Describe in narrative)

Submitted a $61.5K Global Grant on Energy Efficient Stoves - GG1873788 focused on improving pulmonary health by removing current stove from village huts and installing vented stoves. The project is unique in that physicians involved in the project will collect health data to go beyond demonstrating project outcomes (in terms of stoves installed, utilization and satisfaction) to validating positive impact these stoves have on pulmonary health (reduced pulmonary disease). Currently, the project team is conducting a needs assessment to assure that the project beneficiaries’ needs and expectations are met.

Q11 Initiated in Global Grant project (Grant #) (Describe in narrative)

Risers sponsored GG# 1870757, a Nutrition Intervention project focused on improving nutrition and general health to families in Guatemala. The goal is to implement 1000 day focused package of nutrition intervention in a rural, indigenous Maya community with high rates of poverty, chronic malnutrition, and lack of access to health care. Project benefits 230 families, 140 children less than two years old. Our key partner in Guatemala is Maya Health Alliance. Six Rotary clubs in our district along with Vail R.C. in Colorado pledged funds to this initiative.

Q12 Sponsored or participated in a District Grant project outside the United States (Describe in narrative)
