Rotary trains students on the ins and out of ethical leadership

Approximately 30 students from Northfield High School gathered Oct. 10 for a day of training in ethical leadership.

The workshop, organized by the Rotary Club of Northfield, introduced students to various frameworks wherein difficult ethical decisions might be made.

"This program is highly interactive and is based upon MBA-level materials," said David R. Koenig, chair of the Northfield Rotary Ethical Leadership Committee. "The students are presented with very challenging situations and are asked to work collaboratively to manage issues that don't always have clear answers."

Students in the program were chosen by teachers and the guidance counselors at Northfield High School because they have been identified as "emerging leaders" who are likely to assume more and more important leadership roles as they move forward in life. They learn important concepts about leadership and the challenges that leaders face when trying to balance the interests of many parties.

The event was held at the Community Resource Bank, where bank President and CEO Denny Hanson joined Mayor Rhonda Pownell and Joel Leer, Northfield High School principal, welcomed the students. They each emphasized the importance of ethics in their own work. The subsequent training was conducted by a trio of Rotarians, Bill Lindberg of the Eagan Rotary Club — the club that developed the program — and local club members Jeff McLaughlin, executive vice president of Enrollment Data, Strategy & Analytics at Fire Engine RED, and the Rev. Rachel McVee Morey of the Northfield United Methodist Church.

Jean Wakeley, Rotary Club of Northfield president, said, "the wonderful community leaders who lend their support to this workshop make it an outstanding program for our youth leaders."

"I heard very positive feedback from the students and I'm grateful that our students have this opportunity," said Deb Rasmussen, Northfield High School guidance counselor.

Statement of Purpose: Northfield Rotary Club is a club dedicated to promoting peace and understanding through service and shared experience. We invite people from all corners of the community to join us as we partner with others to support youth, build sustainable infrastructure and preserve our planet.

Last Week:

Olive oil is a medium for peace, according to Robert Mous-sand, a Canadian-Palestinian. He uses his product, Zatoun olive oil, as a conversation starter to talk about the conflict in the Middle East from the Palestinian perspective. He calls it “peace in a bottle.”

Robert said it is difficult to talk about the Israeli-Palestinian conflict. It seems so long-standing and so intractable that most people see it as a “distant distraction” and don’t take the time to be fully informed. He is trying to change that through olive oil sales.

“The goal is to connect us with Palestine,” he said. “That’s where understanding begins. We listen differently when we are connected.”

The olive is the universal symbol of peace, Robert explained, and was nature’s first fruit to be processed. Olive oil is at the heart of Palestine’s economy, but production is being frustrated by the construction of “The Wall” between Israel and the West Bank.

Robert characterizes Zatoun as a mission-driven business. It is now 15 years old. It is a registered non-profit in Ontario, Canada. Robert works with minimal overhead and invests his profits in olive oil production in Palestine.

Mini-Classification:

Fred Rogers will go to any lengths to bond with his children. He’ll even jump out of an airplane. In service to familial connection, he once went sky-diving with his daughter and her friends. He said it’s something everyone should do once. Once they pried his fingers from the door frame, he said, the ride down was exhilarating.

Paul Harris Fellowship:

Jenny Hartley, Fred Rogers’s wife, was surprised with a donation to the Rotaract Foundation in her name. The fellowship is in recognition of her community involvement and demonstration of service above self.

2017–18 Outbound Students: Madison Asp, Finland; Joán Erickson, Argentina; Annika Fisher, South Africa; Bergen Hoff, Czech Republic/Slovakia; Emma Iverson, Spain; Alex Kovach, Japan; Joseph Kreis, Italy; Benjamin (Benji) Mohike, Brazil; Piper Nelson, Germany; Jenna Oliver, South Korea; Jack Overstreet, Brazil; Gregory Pelletier, Argentina; Espen Richardson, Norway; Elizabeth (Betsy) Schuerman, Denmark; Allison (Al) Weise, Thailand

The Rotary Club of Northfield has 78 current Paul Harris Fellows; 88 former members with PHF; 71 honorary PHF; and 22 members pledging toward future PHF, for a total of 259 participants. The club has donated over $297,000 to the Rotary Foundation.

The 18 members of our Youth Service Committee have been spending their $27,520 budget on nine key areas of focus for the 2017-18 year. These areas of development are: STRIVE, Sex Trafficking, Interact Club, Camp RYLA, Youth Scholarships, Ethics Training, Exchange Student, Literacy, and MUNA.

**STRIVE:** We currently have 20 mentors who provide one-on-one mentoring to students in the Bridges Alternative Learning Center. The group meets bi-weekly during the school year. Each month one of the bi-weekly meetings features a speaker, such as Michael Wier, chemical dependency counselor from the Minneapolis School district. During the year students work with their mentors on a wide range of topics ranging from grade performance to career advice. Each year, students are able to work toward several scholarships based on Attendance (85% will receive $100), Most Improved ($750), and Rotary ($500). Each STRIVE student receives a sweatshirt from the Rotary club as a gift.

**Homeless/Challenged Youth:** Our club donated $2000 to The Link – Passageways Shelter which provides emergency housing for sex trafficked youth age 13-17. We have also assisted with several service projects at that shelter – painting, cleaning, moving furniture, assembling cabinets, etc.

**Interact/Rotaract Club:** Our club sponsors the Prior Lake/Savage Interact Club. We have the largest group of high school students to date with 40 active participants this year. This club has an elected board overseen by two high school teachers and one Rotarian. The Prior Lake Rotary provides a stipend to the teachers for their time during the year. Interact had several fundraisers during the year: Trunk-or-Treat which raised $616 for St. Jude’s Hospital; Sweatshirt Drive for the Mothers and Daughters Blessings which collected 605 items; they provided centerpieces for a nonprofit pet rescue organization; they packed meals at Feed My Starving Children in February; they made fleece blankets for Passageways shelter; and with support from our club they will host their annual Night in a Box fundraiser for Shelterbox this spring (in 2017 they raised $3800). The Interact club provided much appreciated help with our club’s Gateway Park weeding and highway clean-up service projects. They also filled volunteer slots at our Lakefront Music Fest fundraiser. Socially they joined our club in singing Christmas carols at a local senior center in December. Our club also supported the Twin Cities Rotaract Club by having a very large turnout at their Summit Brewery Rotaract Mixer last August.

**Camp RYLA:** Our club sponsored six students from the Prior Lake/Savage High School and Bridging Learning Center so that they can attend Camp RYLA last year and expect to send 3-4 this year.

**Youth Scholarships:** Each year our club awards four $500 vocational scholarships to graduating seniors from the Prior Lake/Savage High School and Bridging Learning Center. We also distribute $5000 in D.A.R.E. scholarships every year to past essay contest winners from our now defunct D.A.R.E. Bike-a-thon.

**Youth Ethics Program:** This year, our club oversaw the creation of a new ethics program for high school juniors and seniors. A PL Rotarian worked with a St. Thomas College professor, to bring his college business ethic’s class to us in a one-day seminar. The original class was cancelled due to weather but we are working with school administrators to get it rescheduled before the end of the school year.

**Youth Exchange Inbound Student:** This year our club hosted Roxi Dogaru an exchange student from Romania. We have an outbound student identified for next year and we plan to host an inbound student again as well. We also have a student who is planning to participate in the new Short-term Exchange Program.

**Literacy:** This year our club worked with the PLHS vo-tech class to build ten little libraries. These libraries will be placed around the city and will have ten Rotarians assigned as their benefactors. Books placed in these libraries will help combat both youth and adult literacy issues.

**Other - MUNA:** Our club provides the funding for six students, two teachers and one Rotarian to attend the annual four day Model United Nations Assembly (MUNA) conference that is hosted by the Rotary Club in Winnipeg, Canada in May 2018.
