Q9 Completed a significant, visible project in the local community (Describe in narrative)

Sleep in Heavenly Peace Bed (SHP) Build 11/2018
Estimated 40% participation from Lakeville Rotary Club between cutting, sanding, assembling the beds and purchasing bedding. Sleep in Heavenly Peace (Nate & Stephanie Miller local chapter) provide beds for kids who are sleeping on the floor. Using volunteers to raise money and provide the labor to build the beds, LRC raised $9,000 from club members, friends, and family to provide 60 beds for the SHP clients. In addition, we provided bedding to outfit the beds for the kids. Along with our Rotary members, we worked with a local Boy Scout working on his Eagle Scout designation. We also had a couple volunteers from Prior Lake Rotary. This was the largest bed build for SHP with a total of 68 beds.

Sleep in Heavenly Peace 11/2018 - 40% participation  
Provided beds for 65 children

Armful of Love Program 11/2018 -20% participation  
This is an annual program for our club which involves partnering with 360 Communities in sponsoring 12-15 families in need, who would not otherwise have Christmas gifts. We partner with Cub Foods, who provides $50 gift certificates to each family. We designate an evening to have a "wrap party" where members and family get together to enjoy Rotary camaraderie and gift wrap all the gifts and get them ready for delivery to 360 Communities to distribute to families in need.

Red Kettle Bell Ringing for Salvation Army - 25% Participation  
An annual program for LRC, we covered three locations from noon to 6 PM in the Lakeville area raising funds for the Salvation Army. We matched the funds up to $1,000 from our club foundation.

6 | Rotary District 5960
✓ Participated in a hands-on-community service project with another Rotary Club or other service club.

Rotarians gathered at our local **Food Shelf** at the Community Action Center, and rolled up our sleeves with other community volunteers to empty the food shelf. NEW construction was needed to rededicate new floors, walls, shelves, bins, and walk-in freezers for our community in need of food assistance. Rotarians were construction partners in the project. We then joined in the ribbon cutting ceremony to rededicate a brand new facility.

**Habitat for Humanity** enjoys a dedicated group of Rotarians who regularly participate in building houses for identified and qualified families in our area. A six-bedroom house was just completed and dedicated to a new family in Northfield. Rotarians felt especially proud of their work as they worked side-by-side with other clubs and organizations in the community.

**Meals-On-Wheels** is our annual two-week community service project that our Rotarians participate with the hospital and all other service and church communities in the Northfield area. We deliver 7 days in January and 7 days in June. A quick and easy sign up program is used by the Hospital to easily identify responsibilities and routes for members.

**Laura Baker Annual Gala** relies on Rotary and other civic organizations to valet, serve and clean-up the Annual Gala program for families and sponsors of the residence of the Laura Baker community.

**Rotary Garden Clean-up** at the Rotary pavilion at our new soccer fields. A garden was installed and is maintained once a year by Rotarians.

**Cannon River Clean Up** in downtown Northfield – annually or semi-annually Rotarians gather on a Saturday to clear out buck-thorn, invasive vine, weeds and trash along the bike trail through downtown.

**On September 20th, ten tornados** blew through the edges of Northfield. The Rotary Club grabbed gloves, chain saws, and tarps and helped a community of senior citizens clear out their yards along with many members and other community clubs in the area. Pure Community In Action!

Prior Lake Rotary Club: Community Service Narrative

1. Completed a significant project in the local community. Used a district grant to make this possible: Implementing 4 parts of a District grant to assist Passageways, a safe house that provides short and long-term residency for victims of sex trafficking. Donated funds for therapy tools, working to create a music studio and enhance the educational programming. Will take the lead on building an outdoor patio with seating. Passageways is located in Prior Lake. Our purpose is to collaborate with The Link/Passageways to provide improved services to clients who in turn, will re-enter our communities.

2. New Community Project: We have partnered with another local non-profit called Smoke Signals, to organize and implement new Pedal Prior Bike Event. It will be promoted with other rides sponsored by clubs in our district. The intent is to provide a family friendly event in the fall and help enhance events already a part of the Smoke Signals celebration.

3. Interact Club: We involved our Interact Club in the cleanup of our Prior Lake Rotary Gateway Park and will do so again this spring. The club also volunteers at our annual music fest. (Fall, 2018; July 12-14, 2018)

4. Rotaract Club: Twin Cities Rotaract Club volunteered at 2018 Lakefront Music Fest. Our Club sponsored South Metro Networking Rotaract Club is a selected non profit organization for Lakefront Music Fest this year. They will be volunteering in exchange for a monetary donation from our club. (July 12-13, 2018)

5. Other Youth Groups: Boy Scout Troop, Young Life and various school groups volunteered during 2018 Lakefront Music Fest. Bridges ALC students designed and assisted with Little Library Installation project.

6 Beneficiaries as Partners: A. We partner with the City of Prior Lake to maintain Gateway Park. It is a native plant and pollinator garden. The city is a beneficiary. We will have “Sunday in the Park” in May to showcase the park to the community. B. Club members participated in Polar Plunge and raised money for Special Olympics. The club donates money to each jumper and they raise money on their own as well. The 7-member group this year raised over $6000. C. Highway cleanup completed twice a year. We take care of one of the busiest roads going through Prior Lake. The entire community benefits when organizations adopt portions of our roadways. D. Our club partners with the local Lions Club to collect furniture for Bridging. This is an annual event where citizens can either bring items to a truck parked in a lot of a local grocery store or request pickup at their homes.

7. One of Six Areas of Focus: Donated to a global grant initiated by the Fargo-Moorhead and Thunder Bay Rotary Clubs intended to educate and provide prenatal and after birth care to Indigenous Women. We are also planning to donate to the Excelsior Club’s district grant for early literacy in children from 0-5 years old.

8. Local Service Project with the help of a district grant….see no. 1

9. Recognition of Partners in Service: At our 40th Anniversary Celebration, two people were honored with Paul Harris Fellowships. They were nominated by other club members for their service above and beyond expectations to our music fest. We do this annually in order to recognize non-Rotarians who contribute significantly to our community.

10. Partner with Another Rotary Club: Sleep in Heavenly Peace Bed Build that was sponsored by the Lakeville Rotary Club. (November 9 and 10, 2018)

11. Other Project: “Four for Forty” project to celebrate our 40th Anniversary. Each quarter, we feature one non-profit in our community. December: Contributed gift cards to The Southern Valley Alliance for Battered Women. February: Featured a local non-profit called Reaching Our Community’s Kids (R.O.C.K.) This organization’s mission is to provide food to students in our school district who are food insecure. The club collected four food items. We also donated $2000. The third activity is to go to Feed My Starving Children in April. The June event has not yet been decided. These are all “one and done” projects that make a big difference for others but also make it easy for all club members to be involved.

COMMUNITY SERVICE: ROSEVILLE PICTURES

MINNESOTA’S CLIMATE FUTURE:
SAVING THE PLACES WE LOVE

COMMUNITY SERVICE, Large Clubs: ROSEVILLE- Supporting Pictures (p4)
This year began with a bang as we committed $50,000 to the Rondo Center for Diverse Expression, an emerging community center in the Rondo neighborhood that should serve, at a minimum, two of Rotary’s six areas of focus: basic education and literacy, economic and community development. RIPE Mark Maloney visited this center on February 5, 2019 and helped us recognize this partner in service. This is one of two new community service projects.

The other new project is getting involved with TreeHouse in support of our evolving human trafficking initiative. We just started honoring their efforts as part of our speaker recognition program recommended by Club Champion Meaghan Johansen. We are sponsoring Park Square Theatre’s “Justice After Genocide” program April – June 2019, a series of eight public community education/engagement events. The June 11 program is about Sex Trafficking and Genocide. And our April 4 fellowship gathering is devoted to “Out of the Shadows: End Trafficking in MN” discussion led by Meaghan.

We need to do a more thorough Needs Assessment but did work on this through Visioning efforts that began in October.

We work with Twin Cities Rotaract in promoting and participating in their service projects and inviting them to ours.

In addition to service projects listed above, other projects listed in Rotary Club Central include Cleveland Circle Flower Plantings, Rotary Youth Exchange, Rose Sale, Holiday Party Silent Auction, and St. Paul Public Library Reading Together Program. Our service projects are under scrutiny as part of our Visioning efforts as we strive to redefine ourselves.
