The Rotary Club of (Name) Recognized at District Event

Rochester, Minn. – On Friday, April 12, 2019, Rotarians from District 5960, which covers south east and east metro Minnesota and western Wisconsin, met at the District 5960 Conference of Clubs at Mayo Civic Center for the annual celebration. Along with great breakout sessions and keynote speakers, including Patty Wetterling, clubs were recognized for their efforts in various categories and based on the size of the club – Large, Medium, or Small – as part of the District’s Awards Program.

The Club was responsible for submitting examples of their efforts against a checklist for up to six categories – Club Service, Community Service, International Service, Public Image, Vocational Service, and Youth Service. The submissions were then judged by Rotarians from Clubs in a different size category to keep the voting objective. The Rotary Club of XXXXX was in the (Small/Medium/Large) size club category.

After the tabulating, the club received the XXXXX award(s) for XXXXXX. Said Club President XXXXX, “Add Quote.”
