

WELCOME TO THE 2018 CONFERENCE OF CLUBS

Let's celebrate YOU and Rotarians throughout District 5960 who continue to make a difference, now and for the future.

You'll notice that we've rebranded the annual spring event to reflect the collaboration that enables our district to be a leader in achieving Rotary initiatives. Plans are well underway to make the 2018 Conference of Clubs a memorable and fun event!

Festivities will officially kick off the evening of Thursday, April 19, with a cocktail hour followed by a WOW evening. Members of District Governor Kyle Haugen's hometown club, Prior Lake, will be opening their homes to conference attendees for an evening of fellowship, sharing and, of course, great food! You will have the opportunity to sign up for **FOOD & FRIENDSHIP** and be welcomed into a Prior Lake Rotarian's home for dinner. You'll leave with 6 to 8 new friends!

Friday's schedule of events will be jam-packed. We'll start at 8 a.m. sharp and go non-stop until the music ends well into the evening hours. We're working on securing a surprise major speaker. Lots of break-out sessions are planned that will focus on inspiring/important topics.

The 2018 Conference of Clubs is sure to leave all who attend feeling the impact of Rotary, as we collectively join in **Making a Difference, Now & For the Future.**
