Signature Project Recognition

The Signature Project Recognition recognizes Rotary clubs for implementing an impactful service activity in alignment with the 2021-2022 Rotary Theme **Serve to Change Lives**. The activity is based on a community assessment (formal or informal), inclusion of partners, engagement of Rotarians and community members and an evaluation of the impact.

The successful service activity helped the club become stronger, deliver more effective service, and enhance their public image. By qualifying for the Signature Project Recognition, clubs contribute to Rotary's priorities and multiply the impact of their good work through the collective focus of 36,000 Rotary clubs worldwide. Clubs have the entire year to accomplish the activity.

Definition:

- Each Rotary Club has an opportunity to serve their community in unique and impactful ways. We want to celebrate the value and impact of these signature projects.
- We also hope that by sharing these ideas, it may provide inspiration to other clubs to potentially replicate these projects within their own community.

Signature Project Criteria:

- Represents the identity/mission/values of the sponsoring Rotary Club.
- A good question to ask when identifying your signature project: "What event/project/activity is my Club known for?"
- May be a recurring activity or a one time project.
- Should have a demonstrable positive impact on the community based on an assessed need.
- Be designed to elevate the Rotary brand.
- Engages a majority of the sponsoring club membership base.
- Includes an evaluation (formal or informal)

Complete the application and submit by April 20, 2022.

Signature Project Recognition Celebration will be scheduled in June, 2022.
